

CA Foundation Result September 2026: Date, Time, and Latest Update

Last updated: October 29, 2026

CA Foundation result date 2026: quick answer

ICAI has not officially announced the **CA Foundation September 2026 result date**. Earlier reports pointed to October 31, but the latest unofficial update says the **CA Foundation result is now expected around November 5–6, 2026**. Treat this as an estimate until ICAI issues an official notice on the ICAI official website.

CA Foundation result latest news: why did the date change?

If you're asking "CA Foundation result kab aayega?", you're not alone. Many students saw October 31 on social media and now see a new date. A CA educator who earlier shared October 31 later posted that the result is now anticipated around November 5–6, subject to ICAI's confirmation. As of October 28, other reports still listed October 31 as possible, but ICAI hadn't confirmed any date.

Is the CA Foundation result on 31 October 2026 true or fake? It was an unofficial estimate, not an ICAI announcement, and the expectation has since moved.

CA Foundation September 2026 result: key details
